Grade 9 Tours

Normally we would have set aside a day where we would cordially invite all prospective Grade 9 students to explore their future learning opportunities at Dr. E.P. High School from 9 a.m.-11 p.m. & 1 p.m.-3 p.m. We cannot do so this year due to the health and safety guidelines and restrictions during the Covid-19 Pandemic. However, we are offering information to students and their families through virtual Open House Events in order to provide information about our programming and to provide answers to the questions families may have about the coming year. If Dr. E.P. Scarlett High School is your child's designated school, and they are not currently attending a feeder school, we welcome you to contact our Main Office so that our Assistant Principals and/or Guidance team can offer assistance.

Open House Events (Virtual) 5:30 p.m.-7:30 p.m.

Prospective students and/or parents are welcome to attend our evening Open House Events (Virtual) by clicking on the links provided on the day of the events for the specific Open House being held. If your child is interested in learning more about our Advanced Placement and/or Languages programming, please attend those information sessions on January 26 and January 27 (see event details on left side of page). The school is offering two sessions for its main Open House, which will begin at 5:30 p.m. and 6:45 p.m. on January 28, 2021.

More Information

If you have further questions regarding our Open House Events contact the school's Main Office at 403-281-3366.
